The makers of the acclaimed medical action series *Trauma Center* blow the genre wide open with *Trauma Team* for Wii™, bringing not one, but six exciting and creative gameplay modes! Play as a general surgeon, diagnostician, EMT, orthopedic surgeon, endoscope technician, or medical examiner. With improved game balance and a completely original approach to story cutscenes, *Trauma Team* delivers the thrills and drama of the best medical entertainment.

KEYPOINTS

- *6 specialists, 6 gameplay types*—Try your hand at general diagnosis, where a keen, analytical mind comes in handy, or put yourself on the edge as a paramedic, where every ticking second could mean the difference between life and death! Tons of variety means everyone can find a specialty they like.
- *Incredible, dynamic story sequences*—Taking inspiration from Japanese animation and comics, each dramatic chapter comes vividly to life with a style seen nowhere else! Hand-drawn art, innovative animation, and quality voice acting perfectly capture the intensity that sets medical action apart!
- *More realistic, more balanced, more fun*—Taking years of experience and tons of user feedback into consideration, the *Trauma Center* team elevates the medical action experience with cooperative play, unlockable rewards, and selectable difficulty levels.
